Manuel J. Maloof Center

SUBJECT Applications for annexation by 100% method of Emory University, Children's Healthcare of Atlanta, Georgia Power Company, Villa International, Synod of South Atlantic & Presbyterian Church (USA) Inc. and Centers for Disease Control.

Dear Mr. Thurmond and All Commissioners:

As you know, my office notified you by letter dated June 30, 2017 of the City's receipt of the above-referenced annexation applications. Enclosed with the letter were proposed land use and zoning maps with accompanying parcel list delineating such proposed land use and zoning classifications. As stated in the letter, the City intends to concurrently adopt similar land use and zoning to that of DeKalb County for the annexation area. Since then, it has come to my attention that the maps and list contain a few scrivener's errors. Accordingly, I am enclosing updated land use and zoning maps with accompanying parcel list delineating such proposed land use and zoning classifications. These accurately reflect the City's proposed land use and zoning for the parcels upon annexation.

Thank you for your attention to this matter.

Sincerely,

Rhonda Dauphin Johnson
Municipal Clerk
