

SERVICE CHANGES

Effective December 7, 2019

The Metropolitan Atlanta Rapid Transit Authority (MARTA) announces the modification of three existing bus routes beginning Saturday, December 7, 2019. Following the public hearing on September 16, and reviewing feedback from the community, the MARTA Board of Directors adopted the route modifications to improve schedule reliability performance, provide more direct service, and optimize operational efficiency.

Still have questions? Call us at **(404) 848-5000**, press **131** and speak with one of our Customer Information Operators.

MARTA route information, videos, and comment forms are available at www.itsmarta.com. You may also download the **MARTA On the Go app**.

The following three (3) routes will be modified on December 7, 2019:

Route 19 – Clairmont Road

Route 19 will be extended to serve East Lake Station. The modification assumes the Decatur Station to East Lake Station segment currently operated by Route 123-Church Street/North DeKalb Mall. Route 19 will be renamed Clairmont Road/W. Howard Avenue.

Route 123 – Church Street/North DeKalb Mall

Route 123 will be modified to provide service from Decatur Station to North DeKalb Mall via Emory Decatur Hospital (formerly DeKalb Medical Hospital) to/from Decatur Station. Service along the Decatur Station to East Lake Station segment will continue to be provided with service modifications to Route 19-Clairmont Road.

Route 823 – Belvedere

Route 823 will be modified to provide service along Candler Road and Memorial Drive between Hosea L Williams Drive and Line Street to its current terminus on Belvedere Lane. Service along Candler Road and S. Candler Street will continue to be provided by Route 15-Candler Road. Service and stops along Midway Road and Carter Road will be discontinued due to low ridership.

Service modifications are designed to address:

- Safety
- Operating efficiency
- Customer demand
- Ridership levels
- Schedule reliability
- Service frequency

Scheduling adjustments for routes 12, 14, 19, 37, 51, 84, 86, 117, 123, 172, 181, 194, 823, 856, and 867 will go into effect on December 7, 2019. These modifications will help improve safety, schedule reliability, on-time performance, and operating efficiency.
